Commissioner of Patents  
Washington, D.C. 20231

Sir:

In response to the Office Action dated June 15, 2001,  
please amend the above-identified application as follows.

IN THE CLAIMS

Rewrite claims 37 and 43 as follows:

37. (Once Amended) A client connected to a server for  
providing electronic commerce services to receive the  
electronic commerce services, comprising:

an order transmitting device for transmitting an  
order for a product on the electronic commerce in response to  
an input by a user to said server through a communication  
network, receiving from said server trading information  
including a trading identifier associated with said order and  
data on the contents of said order from said server, and  
storing said trading information in a storage device;
